- OUR COMMITMENT OF THE CONTINUAL IMPROVEMENT OF OUR PROCESSES
- PERFECTION TO OFFER THE HIGHEST STANDARDS OF SERVICE

OUTSOURCING

------ COST REDUCTION

------ SPEED UP DELIVERY

------ STAFF REDUCTION

Outsourcing helps companies focus on their core competencies. For most companies, software development and related projects are outside the realm of direct expertise. Outsourcing these functions gives these companies more time to concentrate on what they do best. Right from Requirements' gathering & System Design to implementation, support, maintenance and even documentation, HTS does it all for its clients. We are a one-stop Software Solutions' company.

- IMPROVE COMPANY FOCUS 55%
- REDUCE AND CONTROL OPERATING COSTS 54%
- FREE RESOURCES FOR OTHER PURPOSES 38%
- GAIN ACCESS TO WORLD-CLASS CAPABILITIES 36%
- RESOURCES NOT AVAILABLE INTERNALLY 25%
- ACCELERATE REENGINEERING BENEFITS 20%
- REDUCE TIME TO MARKET 18%
- SHARE RISKS 12%
- TAKE ADVANTAGE OF OFFSHORE CAPABILITIES 12%

At HTS, we can help you realize these, and other benefits of outsourcing your IT development needs.

Website Maintenance

Website maintenance includes revising, editing text, photos, services, products, etc or changing existing web pages to keep your website up to date. How often to update varies greatly from business to business. It can be as little as once every couple of months to as much as daily updation, depending on your needs, whether you're selling products or services, etc.

We make Website Maintenance a simple, stress-free experience. You will be assigned a single contact person who knows you and your project - you won't be shuffled around and have to start at square one explaining your project and needs.

Website Maintenance work includes the following:

- Contents update, announcements, articles, etc.
- Replace images i.e. Pictures & graphics
- adding/removing pages
- image manipulation and addition (client supplied images)
- newsletter & email list maintenance
- shopping cart product updates
- website modification and addition of website content
